

Activity Sheet : Key Stage 3

Topic : The History of the Fire Service

Instructions:

The information in the right hand column of this activity sheet relates to different aspects of the history of the Fire Service in Britain.

It is separated into four categories related to the Fire Service; Legislation, Organisation, Equipment and Points of Interest.

Using the Fire Service history information on the Hampshire Fire and Rescue Service Kidzone pages, work out which era each information item belongs to and then write it next to the correct category in the left hand column of the printed activity sheet.
