

THE GARDEN

- How many hazards-unsafe things can you spot in this picture? Why not circle the hazards?
- Where should you store garden equipment when you're not using it?
- What should a pond have around it?
- Should the matches be left where they are? What could happen? Where should grown-ups keep matches?
- What might happen to the green house now the boy has kicked the football? How is this dangerous?
- What might happen to the boy trying to get his boat from the pond? What should he do instead?
- What might happen to the sheet hanging on the line near the BBQ?
- Is it safe for the girl to be so close to the BBQ? What could happen?
- Why are the toys on the path dangerous?
- Should the electrical lead be left like this? Why?
- Can you draw a picture of a safe garden?

Extra Questions Key Stage 2:

- Can you spot the hazards and explain why they are dangerous?
- Can you write an advice sheet for the man on how to prepare a safer area for the BBQ?
- What advice could you give the family on how to keep the garden a safe place for everyone?
