## Susie the Childminder and the Pandemic

The children came up with a new song to sing whilst washing their hands for 20 seconds:

*If you're healthy and you know it wash your hands,  
If you're healthy and you know it wash your hands,  
If you're healthy and you know it,  
And you really want to show it,  
If you're healthy and you know it wash your hands!  
Hip hooray, send the germs away!*

Can you come up with your own song to sing whilst washing your hands for 20 seconds?

Things changed during the Pandemic. Can you fill in the blanks?

People were asked to stay at \_\_\_\_\_.  
Most children were not allowed to go to \_\_\_\_\_.  
Families \_\_\_\_\_ and hung pictures of \_\_\_\_\_ in windows.  
People had to keep \_\_\_\_\_ metres apart.  
Grown ups had to wear \_\_\_\_\_ when they entered shops.

Lots of people had to do different things during the Pandemic. Firefighter Mark learned how to drive an ambulance, as the ambulance service needed more drivers. Daniel and Nathan had lessons at home, as they couldn't go to school and Susie did shopping for her elderly neighbour Nanny Dot to keep her safe.

**Can you draw a picture of something that you did differently during the lockdown?**

A large, empty rectangular box with a thin black border, intended for a child to draw a picture of something they did differently during the lockdown.
