## 'Be Bright, Be Seen'

Now the clocks have gone back, the evenings are getting darker a lot earlier. This means we need to ensure we keep ourselves safe and that we can always be seen when we are out and about in the dark.

### Can you fill in the missing words?

Always wear \_\_\_\_\_ clothes in the dark. A \_\_\_\_\_ jacket would help traffic see you and a \_\_\_\_\_ would help you see traffic. Neon and \_\_\_\_\_ colours are a sensible choice to wear in the dark. You can add \_\_\_\_\_ trims to your bikes, scooters or clothing to be seen by everyone.
