

## **Hampshire and Isle of Wight Fire and Rescue Authority**

### **Notice about publication of updated 2022/23 accounts**

The latest version of our draft 2022/23 accounts is published on our website at: [https://www.hantsfire.gov.uk/about/transparency/information-we-publish/?\\_sft\\_document\\_type=accounts](https://www.hantsfire.gov.uk/about/transparency/information-we-publish/?_sft_document_type=accounts).

The accounts document was last updated in December 2023. This made some minor updates to note 12 of the accounts (officer remuneration), following the finalisation of P11D data on benefits in kind. This change was planned to be made once the data was available. The change was made under the delegated authority approved for the section 151 officer at the Standards and Governance Committee meeting on 27 September 2023. The rest of the accounts remain unchanged from the previous version published after the September 2023 audit committee.

The audit of the accounts is ongoing at the moment. The audited version of the accounts will be published as soon as possible once the audit has been completed.
