Dear [REDACTED]

We are writing in respect of your application for the release of information held by the Service, which we received on 13 May 2024. We can confirm that we have now completed our search for the information requested.

You asked:

I would like to request each stations individual call outs in the year 2023 from January 1 at 00:00 to December 31st at 23:59

This includes all incidents off that stations area

Eg

Grayshott - 143

Bordon - 490

Petersfield - 220

St Mary's - 2000

I request that you also include over the border incidents.

Our answer:

We can confirm we hold the data requested, please find it attached.

Please note, when retrieving the additional data, we noticed the numbers previously provided did not include all relevant incidents. We have now rectified this and have included the over the border incidents. This data does not include repeated calls, stand by, and medical incidents attended.

The above concludes our investigation into this matter.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Data Protection Officer at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioners Office. This can be done online at www.ico.org.uk/foicomplaints or by post to The Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely
