Freedom of Information Act 2000

Dear 

We are writing in respect of your application for the release of information held by the Service, which we received on 5 April 2023. We can confirm that we have now completed our search for the information requested.

You asked:

Please complete the following table on behalf of your organisation.

Our answer:

We can confirm we hold some of the information requested, please find it on the attached document. We have outsourced our HR, payroll and recruitment functions to Hampshire County Council consequently this information is not held by us per Section 1 of the Freedom of Information Act 2000.

As regard the internal staffing cost to enable the support of the system this cost is the wage of certain members of staff. The product owners email address would also identify an individual. Consequently, this information is personal data, and it would be unfair within the meaning of the UK GDPR to provide this information in response to your request. As such we are refusing to provide this information as per Section 40 of the Freedom of Information Act 2000.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Data Protection Officer at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely

Information Compliance Officer
