Freedom of Information Act 2000

Dear [REDACTED]

We are writing in respect of your application for the release of information held by the Service, which we received on 4 August 2022. We can confirm that we have now completed our search for the information requested.

You asked:

Please may I have the contact name and email address for the Occupational Health Nurse or person/person's who purchase the medical supplies and equipment

Our answer:

Our Occupational Health service has been contracted out to a third party as such we are unable to provide the information requested as per section 40 of the Freedom of Information Act 2000. It would be unfair, within the meaning of the Data Protection Act 2018 and the UK GDPR to provide this information in response to this request as it would expose the individual's personal data to the world at large.

Additionally, for our own non occupational health medical supplies/ equipment, providing this information would also be able to unfairly identify members of the Service. Therefore, we are also refusing to provide this as per section 40 of the Freedom of Information Act 2000.

The personal data contained within this response, and in dealing with your request, should not be used for the purposes of marketing as per Article 21 (2) of the UK GDPR.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Information Compliance Team at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely
