Dear [REDACTED]

We are writing in respect of your application for the release of information held by the Service, which we received on 26 September 2022. We can confirm that we have now completed our search for the information requested.

You asked:

I requested an EWS1 from the building management for Everell Court, Clarendon Road, in Southsea, a 9 story concrete block of flats but was told a High risk residential building Inspection was carried out in 2021 resulting in no further action being necessary.

Our answer:

Please find attached a note for file made following our visit to Everell Court in 2021. This note does not specifically state that an EWS1 was not required for the premises, however we can confirm that as the property was concrete clad, we did not require a EWS1 to be provided to us. Aside from this note for file no report was created following the 2021 visit.

Please be aware that we have redacted the personal data from the document as it would be unfair (within the meaning of the UK GDPR) to release this information to the world at large in response to your request, as per Section 40 of the Freedom of Information Act 2000.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Information Compliance Team at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely

Information Compliance Officer
