Freedom of Information Act 2000

Dear [REDACTED]

We are writing in respect of your application for the release of information held by the Service, which we received on 28 September 2022. We can confirm that we have now completed our search for the information requested.

You asked:

Would you please supply the following information:

- 1) The number of bronchial challenge tests requested and/or performed at your request during 2019 and 2021 for occupational health or other reasons
- 2) Your providers of bronchial challenge testing (at which locations/sites/departments) for occupational health or other reasons
- 3) The chemical agent used for the test e.g. mannitol or methacholine (if known)
- 4) The contact details of the sites/departments performing the tests?

Our answer:

Hampshire and Isle of Wight Fire and Rescue Service did not request or perform any bronchial challenge tests during 2019 and 2021, as such this information is not held as per Section 1 of the Freedom of Information Act 2000. Consequently, we also do not have information regarding providers, chemicals used or sites/departments that perform such tests.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Information Compliance Team at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely

Information Compliance Officer
