Dear [REDACTED]

We are writing in respect of your application for the release of information held by the Service, which we received on 15 November 2022. We can confirm that we have now completed our search for the information requested.

You asked:

Please may I request the following information from the Hampshire and Isle of Wight Fire and Rescue Service under the Freedom of Information Act.

May I ask please how many fire crews, vehicles (of all kinds) and pumps have been sent from the Hampshire regions (Hampshire, Southampton, Portsmouth etc) to assist an incident on the Isle of Wight in the following financial years: 2022/23 (to date, November 14, 2022); 2021/22; 2020/21; 2019/20; 2018/19; 2017/18; 2016/17; and 2015/16.

May I please ask for that information in a table, and if possible a breakdown of incidents in the above years; how long the incident(s) lasted; where they were and how many crews, vehicles and pumps were sent to the Isle of Wight.

Our answer:

Please find the information we hold in the attached spreadsheet. Please be aware that we are only providing the first five digits of the post code to prevent the unfair identification of individuals effected by fire, per Section 40 of the Freedom of Information Act 2000.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Information Compliance Team at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely
