Dear [REDACTED]

We are writing in respect of your application for the release of information held by the Service, which we received on 6 October. We can confirm that we have now completed our search for the information requested.

You asked:

In relation to Blake Building, Southampton where 2x enforcement notices have just been served: 3-month notice on fire walls and compartmentation + 12-month notice on external wall system against my freeholder, Brigante Properties, please can you reply to the very simple questions below:

Please can you confirm the official date that both enforcement notices were issued to the freeholder, the deadline they can appeal by and if they have lodged an appeal as of yet on either notice?

Our answer:

We can confirm we hold the information requested. Both formal enforcement notices were issued on 12 September 2023. The deadline for appeal is 21 days after the issue date. We have not received an appeal on either notice as of 11 October 2023.

You asked:

You mentioned that you will check on both notices towards the end of the notice period – how far in advance of expiration will these checks be?

Our answer:

We contact the recipient of the enforcement notice one week before the end date of the enforcement period.

The above concludes our investigation into this matter.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Data Protection Officer at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioners Office. This can be done online at www.ico.org.uk/foicomplaints or by post to The Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely
