Freedom of Information Act 2000

Dear [REDACTED]

We are writing in respect of your request for information held by the Service, which we received on 23 January 2023. We have now completed our search for the information requested.

You asked:

This is a request under the Freedom of Information Act to obtain the total number of call outs for each fire station on the Isle of Wight for each month throughout 2021 (1st January 2021 to 31st December 2021 inclusive).

Please split this into Wholetime and Retained and break down the information by station and by month. Please also include the availability/unavailability for each station on each month throughout 2021 if possible as a percentage.

Also how many time each station went to standby at other stations and where.

Our answer:

We can confirm we hold the information requested. Please find it in the spreadsheet attached.

On the 'Turnouts Summary' sheet, on the spreadsheet attached, there are some months for Yarmouth that are not shown. This is because no callouts happened in these months.

On the 'Availability Summary' sheet, please be aware that as stations can attend incidents in other areas, fire cover was maintained across the whole of the Isle of Wight at all times.

Lastly, on the 'Standby Pivot Summary' sheet, column A is the station that went to standby at the stations listed in row 4.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Information Compliance Team at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely

Information Compliance Officer
