Dear [REDACTED]

We are writing in respect of your application for the release of information held by the Service, which we received on 1 February 2024. We can confirm that we have now completed our search for the information requested.

You asked:

Can I please make a Freedom of Information request to the fire service for the following information.

- 1. A list of all prohibition notices issued to NHS trusts since 2020. For each, can you please list the site in question, a brief description of the issue, and whether the notice has since been lifted or is ongoing.*
- 2. A list of all enforcement notices issued to NHS trusts since 2020. For each, can you please list the site in question, a brief description of the issue, and whether the notice has since been lifted or is ongoing.*

Our answer:

This information is publicly available and can be found here: [Enforcement Register](#).

We can confirm we hold the information requested. However, we are technically refusing to provide it as it is reasonably available to you via another means, per Section 21 of the Freedom of Information Act 2000.

The above concludes our investigation into this matter.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Data Protection Officer at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioners Office. This can be done online at www.ico.org.uk/foicomplaints or by post to The Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely
