Freedom of Information Act 2000

Dear 

We are writing in respect of your application for the release of information held by the Service, which we received on 23 March 2023. We can confirm that we have now completed our search for the information requested.

You asked:

The information I require is the total number of fire stations as well as the number of appliances within service, broken down into how many are WDS/DDS and how many are RDS. If you could provide that information it would be greatly appreciated.

Our answer:

We can confirm that we hold the information requested. Hampshire and Isle of Wight Fire and Rescue Service have 15 Wholetime stations, one of which is only a wholetime station during the day. Eight wholetime stations are also used as Retained stations but are classified as Wholetime stations by the Service. We also have 46 Retained stations of this one station is a wholetime station during the day and is retained for the rest of the time. We have 21 Wholetime and 63 Retained appliances.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Data Protection Officer at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely

Information Compliance Officer
