URGENT – ACTION REQUIRED

To whom it may concern,

Extension of time to Enforcement Notice

The Regulatory Reform (Fire Safety) Order 2005: Article 30

Premises: Solent Cliffs Care Home, 2 Cliff Road, Fareham PO14 3JS

Thank you for contacting this authority to discuss the additional time you require to comply with the enforcement notice dated **26 June 2023** and numbered **9992**. The Fire and Rescue Authority has considered your application for **an extension of time** to comply with the requirements of the notice and will **grant you more time**.

You have taken sufficient steps, in accordance with the schedule contained in the enforcement notice, to grant additional time to complete the outstanding actions.

The enforcement notice dated 26 June 2023 and numbered 9992 remains in force.

Timescale for Completion

You are now required to take steps to remedy the matters in the schedule by 01 September 2023. My officer will contact you approximately one week before that date to arrange a further visit. You may apply for a further extension to the period of time within which you need to remedy the failure(s). The authority will grant or deny further time to comply with the requirements, according to the further efforts you make.

Penalty for Non-compliance

If you do not comply with the requirements of the Notice within the period stated above, you will have committed an offence and this authority will consider a prosecution against you. A prosecution could lead to you being liable to a fine, imprisonment or both, subject to the Courts.

Route to Appeal

There was a right to appeal the original enforcement notice. That right of appeal expires 21 days after the date of the original notice. That period may have passed.

You can comment or make a complaint about how this authority regulated you. Our Complaints procedure which can be found at www.hantsfire.gov.uk/complaints tells you how.

Alternative Solutions

Although you had previous opportunity to discuss different solutions (to bring about safety from fire), this option is still available to you. If the risk in case of fire in the premises has changed, or if you wish to provide safety using alternative means, please contact my officer. Any alternative solution you propose must meet the 'outcome(s)' stated in the schedule.

Yours Faithfully

Authorised Fire Safety Inspecting Officer
On behalf of, and duly appointed by the Hampshire & IOW Fire & Rescue Authority
