Good afternoon, everyone

Please find attached a draft copy of the amended fire risk assessment review for Solent Cliffs, following the [REDACTED] recent communication.

I have included a paragraph in response to the external escape route which is reflected under paragraph 6.1.

I have also stated that I have carried out a full, non-evasive compartmentation survey during my inspection.

I would be grateful if someone could forward this to [REDACTED] as soon as possible with a covering explanation.

Please call me if you wish to discuss further.

Best regards

[REDACTED]
