Freedom of Information Act 2000

Dear [REDACTED]

We are writing in respect of your application for the release of information held by the Service, which we received on 7 October 2024. We can confirm that we have now completed our search for the information requested.

You asked:

*We understand you inspected all premises on Bedford Place earlier in the year.
We wanted to inquire if there were any safety concerns/ standards at No. 38 Bedford Place.*

Our answer:

We can confirm we hold the information requested. Hampshire and Isle of Wight Fire and Rescue Service (HIWFRS) did conduct an audit on 38 Bedford Place. However, it was only management-related concerns and nothing structural, resulting in a Fire Safety Matters (FSM) 1 improvements letter only. Please find the letter attached.

For your awareness, we have redacted all the personal data in the letter. Therefore, we are refusing to provide you with this information per Section 40 of the Freedom of Information Act 2000. This is because it would be unfair, within the meaning of the UK GDPR and Data Protection Act 2018, to release this information to the world at large in response to your request.

The above concludes our investigation into this matter.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Data Protection Officer at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioners Office. This can be done online at www.ico.org.uk/foicomplaints or by post to The Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely

Information Compliance Officer
Hampshire and Isle of Wight Fire and Rescue Service
