Enquiries to: Information Compliance Officer

Freedom of Information Act 2000

Dear [REDACTED]

We are writing in respect of your application for the release of information held by the Service, which we received on 8 November 2024. We can confirm that we have now completed our search for the information requested.

You asked:

Under the Freedom of Information Act, I would like to request the contact information for your Learning and Development department or the appropriate person overseeing staff training and development. Additionally, I am interested in any information on programmes or initiatives related to sustainability training and development.

Our answer:

We can confirm we do not hold the information requested. Our learning and development department does not have a generic group email address. To contact the team, you would need to be given people's own email address. However, releasing this information would enable the identification of individuals, which would be unfair within the meaning of the UK GDPR and Data Protection Act 2018. Therefore, we are refusing to provide you with this as per Section 40 of the Freedom of Information Act 2000, in response to your request.

If you would like to contact the learning development team or anyone in the Service, feel free to email our business support team at support.hub@hantsfire.gov.uk. Here, the team will read your request and pass it on to the relevant person to deal with.

The above concludes our investigation into this matter.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Data Protection Officer at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioners Office. This can be done online at www.ico.org.uk/foicomplaints or by post to The Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely

Information Compliance Officer
Hampshire and Isle of Wight Fire and Rescue Service
