Freedom of Information Act 2000

Dear [REDACTED]

We are writing in respect of your application for the release of information held by the Service, which we received on 13 January 2025. We can confirm that we have now completed our search for the information requested.

You asked:

Are you planning to dispose of any vehicles based on the Isle of Wight, and if so, which ones are they, what year are they from and what station they are based at if possible. will they be for sale and will they be replaced by new vehicles.

Our answer:

Hampshire and Isle of Wight Fire and Rescue Service operates a rolling vehicle replacement programme of our vehicles. Consequently, vehicles and fire appliances will be decommissioned and sold as new appliances are placed in service. The exact appliances being disposed of is yet to be decided and will dependant on many factors including age, condition, mileage cover and the stowage fitted to the appliance. Consequently, we do not hold, per Section 1 of the Freedom of Information Act 2000, the information requested.

We can confirm that all vehicles and appliances are disposed of via public auction.

The above concludes our investigation into this matter.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Data Protection Officer at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioners Office. This can be done online at www.ico.org.uk/foicomplaints or by post to The Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely

Information Compliance Officer
