1. Purpose

Hampshire and Isle of Wight Fire and Rescue Authority (HIWFRA) is committed to ensuring that Hampshire and the Isle of Wight have an efficient and effective fire and rescue service which makes life safer for everyone.

All Policies within the Authority's Policy Framework are to be considered as a collective and not read in isolation.

This Policy sets HIWFRA's commitment to meet its statutory responsibilities as an organisation through a corporate governance framework that safeguards public funds and upholds public trust, by preventing theft, fraud, bribery and corruption. It promotes effective leadership, informed decision-making, accountability, and transparency to support the continual improvement of services for our communities.

2. Principles

- 2.1 We will conduct the Authority with strong corporate governance that supports our vision and organisational purpose.
- 2.2 We are committed to following good governance practices, through openness, accountability, promoting informed decision-making, managing risks, and ensuring legislative compliance.
- 2.3 We will establish internal controls and reporting mechanisms to ensure effective oversight and accountability.
- 2.4 We are committed to safeguarding public funds ensuring trust, honesty and integrity, and expect all members, employees, suppliers, contractors and stakeholders to uphold our values.
- 2.5 We are committed to preventing, deterring, and detecting all forms of theft, fraud, bribery and corruption, or other irregularities, and will take appropriate action when detected.

- 2.6 We will prioritise, manage and mitigate foreseeable community risks with agility and foresight to safeguard our communities.
- 2.7 We will adopt business continuity and resilience plans to ensure compliance with legislative requirements and best practice where appropriate.
- 2.8 We will adopt a strategic approach to communication, stakeholder engagement, and consultation to enable our communities to actively contribute to their local services where appropriate.
- 2.9 We commit to protecting data with robust data management practices and information security measures.
- 2.10 We will conduct transparent and fair procurement processes, adhering to guidelines and regulations, while maintaining ethical practices and due diligence across our suppliers and supply chains.
- 2.11 We will ensure sufficient insurance coverage for our activities to minimise liability exposure.
- 2.12 We will use performance reporting and data analysis to monitor our efficiency and effectiveness.
- 2.13 We will ensure continuous organisational learning and improvement by assuring our activities and maintaining thorough oversight.
- 2.14 We will respond positively to the recommendations of external audit and statutory inspections.
- 2.15 We will actively engage and collaborate with our partners and others, as appropriate, to maximise the benefits of our collective offering to the public.
