Freedom of Information Act 2000

Dear [REDACTED]

We are writing in respect of your application for the release of information held by the Service, which we received on 22 April 2025. We can confirm that we have now completed our search for the information requested.

You asked:

I am writing to you to ask for information regarding retained appliance availability for all stations from 1st January to 31st December 2024. This would need to have Availability %, Unavailability % and hours off the run for every month.

Our answer:

We can confirm that we hold the information requested, please find it in the attached spreadsheet.

Please be aware that we calculate attendance percentages based on the number of instances where an appliance was unavailable at the top of the hour. These instances are then added together and divided by the total number of potential hours available to give the percentage. The lack of availability in hours, has been calculated based on the number of minutes each appliance was unavailable, converted to hours.

The above concludes our investigation into this matter.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Data Protection Officer at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioners Office. This can be done online at www.ico.org.uk/foicomplaints or by post to The Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely

Information Compliance Officer
Hampshire and Isle of Wight Fire and Rescue Service
