As seen above, sometimes appliances are mobilised but at not booked as being mobile. This may be because, the appliance has not been logged, they can't crew it, it is identified that that additional resource is not actually required, or the appliance may have been defective.

The above concludes our investigation into this matter.

Any future correspondence with Hampshire and Isle of Wight Fire and Rescue Service in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Data Protection Officer at the above address.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioners Office. This can be done online at www.ico.org.uk/foicomplaints or by post to The Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely
